- Come to office hours prepared with *specific* questions.

Resources: This is a list of additional or helpful resources.

- Paul's Online Math Notes provides quick and useful information for various math topics. See: <http://tutorial.math.lamar.edu/Classes/CalcI/CalcI.aspx>
- Free on campus tutoring centers:
 1. Scholar Enrichment Program: (SEP) <https://www.uh.edu/nsm/scholar-enrichment/tutoring/>

This credit will allow you to copy up to approximately 500 single-sided B/W pages or 250 double-sided (duplex) B/W pages per semester at no charge. See <http://info.lib.uh.edu/policies/photocopiers> for more details.
- In the UH library, you can check out markers and reserve study rooms for 4 hours a time. This is a good place to practice solving problems with classmates.

Special needs: The University of Houston will attempt to provide reasonable academic accommodations to students who request and require them. Please call or visit the Center for Students with DisAbilities (CSD) at 713-743-5400 for more assistance.

UH CAPS Statement: Counseling and Psychological Services (CAPS) can help students who are having difficulties managing stress, adjusting to the demands of a professional program, or feeling sad and hopeless.
