Final Exam Information
Final Exam: If your average, per the Letter Grade Calculator on your CourseWare account is $\mathbf{8 0 \%}$ or better then you will have the option to exempt from the final exam. During the last few weeks your instructor will talk about this in class. Exemption period will be only two days. Your instructor will inform you which two days and of what you need to do exactly to exempt; there will be some steps to take to exempt, it's not done automatically.

If your average, per the Letter Grade Calculator on your CourseWare account in NOT $\mathbf{8 0 \%}$ or better then you will have to take the final exam.

Your final exam will be in the classroom you regularly meet in, unless your instructor has informed you otherwise. Bring a picture ID, pencil and a popper scantron. The final exam is comprehensive and is all multiple choice.

Final Exam Dates \& Times are by Section. For your Final Exam date/time check www.uh.edu or with your Instructor.

The Practice Final Exam will open a couple weeks before finals begin and will close on the day your course section is to take the final exam.

IN THIS CLASS, YOU WILL EARN EITHER AN S (SATISFACTORY, YOU MAY GO ON TO COLLEGE ALGEBRA) OR A U (UNSATISFACTORY, YOU NEED TO RETAKE THIS COURSE).
