

M.U.S.L. Policies

Sign-in:

When you arrive at the lounge, knock (because the door will be locked). Once a monitor answers, they will require to see some sort of photo identification. They will check this identification with the list of students whom should have access to the lounge. If your name is listed, they will “check” you in. Once you leave, you will be “checked” out.

Non-Math Major Guests:

If you plan to have students accompany you whom are not Math Majors, you must notify the lounge monitor upon arrival. They will indicate the # of guests by your name on the sign-in sheet. Once you decide to leave, the guests must leave with you.

Monitors/Buddy System: There will be three monitors that are scheduled to “monitor” the lounge. This means that they are only responsible for allowing people to enter the lounge, and “checking” them in and out. They are NOT responsible for cleaning up after everyone. Once a monitor leaves the lounge, the remaining students will be responsible for checking other students in and out. Be sure to keep the door closed and all times. Do not prop the door open with any item, so as to keep the area cool.

Cleanliness: There will be no maids available. Please clean up after yourselves. Disinfectant wipes will be available in the storage room.

Monitor Schedules:

Taoufik: Wed. 1:00-3:00 pm

Lochana: TTH 5:30-7:00 pm

Moses: TTH 2:30-5:00 pm
