

University of Houston Pi Mu Epsilon Chapter

presents

Math Jeopardy 2017

Friday, October 27

4:00pm-7:00pm

Location: SEC 206

The University of Houston AMS Student Chapter will be hosting the fourth edition of the fall semester's mathematical trivia event now known as 'Math Jeopardy'.

This year, expect a dash of Halloween in the trivia. You are welcome and encouraged to dress up accordingly. A prize will be awarded to the best math-related costume!

We will have a mathe-magician going around among us, performing live magic up close. There will also be board games.

Please come join us for an afternoon of fun and socializing.

Food and drinks will be served at the event!
