

A large, faint watermark of the Pi Mu Epsilon logo is centered in the background. The logo is circular with a serrated outer edge. Inside the circle, the words "PI MU EPSILON INCORPORATED" are written in a circular path. In the center of the circle is a stylized geometric design consisting of a triangle with a vertical rectangle inside it, and a horizontal line below the rectangle. At the bottom of the circle, there are three stars.

# First General Meeting

Pi Mu Epsilon - Fall 2019
