

# **Undergraduate Colloquium**

## **Thursday, April 16, 4pm, Room: PGH646**

<http://www.math.uh.edu/colloquium/undergraduate/>

**Adventures in Neuroscience Imaging: from Espinas (spines), of Ramon Y Cajal, to Plato's Wax Box and the Giant Atlantic Squid.**

Professor Manos Papadakis, Mathematics Department, UH

Please be seated and keep your seatbelt fastened for the ENTIRE duration of the flight to the unknown world of our inner being. Grab your pizza and soft drinks prior to boarding our flight. Then relax and enjoy. We anticipate no math turbulence so this flight is for everyone, even for those who are scared to fly.

**Pizza and refreshments will be served**
