

Fellowship and Internship Panel

Thursday, November 16, 2017

4:00pm – 5:30pm

**Agnes Arnold Hall 16
University of Houston**

The UH student chapter of the Society of Industrial and Applied Mathematics will host a panel of successful math graduate students who have received prestigious fellowships and internships. These distinguished students will discuss their process in achieving their success. For graduate students seeking such success, this is a great opportunity to ask your questions towards such pursuits.

Panelists:

Kate Nguyen, National Science Foundation: Graduate Research Fellowship Recipient

Eric Platt, Stinger Ghaffarian Technologies Internship

Dipanwita Saha, Halliburton Internship

Kyle Williams, Department of Energy Office of Science Graduate Student Research (SCGSR)
Program

Food and drinks sponsored by SIAM will be served at this event.
