

# Math 1330 – Precalculus

## Beginning of the Semester To-Do List

- Read *the syllabus* posted in your instructor's website.
- Set up your *CASA account* at <https://casa.uh.edu/>.
- Read the [Math.13xx Departmental Course Policies](#).
- Take “*Course Policies Quiz*” until your score is 100%. You can find it on the “Online Assignments” tab at <https://casa.uh.edu/> after you set up your account.
- Take *Practice Test 1* (twenty times) until you master it by the deadline, and take *Test 1* online. You will have *only two attempts* to complete this test. Test 1 is based on prerequisite material which includes Chapter 1, Chapter 2 and Chapter 3.  
*Performing well in Test 1 is a good indicator that you will succeed this course easily, otherwise you might struggle a lot.*
- Learn your *Grading ID Number* (Peoplesoft ID number).
- Find the *online textbook* link at <https://casa.uh.edu/>.
- Buy an *Access Code* at the register at the UH Bookstore. Log on to <https://casa.uh.edu/> and follow the steps to enter this Access Code.  
**Deadline to enter the code: *Second Sunday of the Semester.***
- Buy *a package of bubbling forms* at the UH Bookstore. These must have your course's section number printed on them. You will need these forms beginning the 3<sup>rd</sup> week of classes.
