

**Math 1312 – Introduction to
Mathematical Reasoning
Beginning of the Semester To-Do
List**

- Read *the syllabus* posted in your instructor's website.
- Set up your *CASA account* at <https://casa.uh.edu/>.
- Read the [Math 13xx Departmental Course Policies](#).
- Take the *Course Policy Quiz* (under Online Assignments tab) until you score 100.
- Learn your *Grading ID Number* (Peoplesoft ID number).
- Buy the *textbook* at a bookstore or online. *6th Edition!*
- Buy *a package of bubbling forms* at the UH Bookstore. These must have your course's section number printed on them. You will need these forms starting the 3rd week of classes.
(Online Sections do NOT need this package of bubbling forms.)
