Hi, folks,

It's early in week 3 of the semester. If you're on track, you should have tried some questions in Quiz 3 and be planning on finishing it up by Friday so you can take the weekend off.

Now if you're ahead - that's great! You may decide to finish them up quickly and make an appointment with me and get that final taken BEFORE Spring Break. It's always nice to have this class out of your hair early!

If you're behind schedule, take a minute to assess why. You'll need to make arrangements in your life to finish this up by the end of April so don't put it off until too late, ok?

If you are having problems with accessing SPACE, email me. Also, you're eligible for help in CASA Tutoring or at LSS (they are open weekends!). Print the quiz and get over there if you're stuck. Or ask the teacher of the core course you're in - they can and will help you, too.

Ms. Leigh
