This is NOT the course syllabus, but your explicit guidelines for our lab time. The information provided is to guide students to their own classroom success and to explain expectations in the classroom.

Course Pages:

1. My webpage: <https://www.math.uh.edu/~hemenway>
2. Dr. Climenhaga's Webpage: <https://www.math.uh.edu/~climinha/math1431.html>

Office Hours: My office is located in PGH 347. I do not have set office hours. However, I can be available by request via email or in-person correspondence. Even still, I will be in and out of the office most weekdays between 12-4pm. Feel free to stop by and see if I'm in if you have any questions or need to talk.

Homework Policy:

- Written homework will be due at the beginning of lab on dates assigned by Dr. Climenhaga.
- All homework must have last name, first name, and PSID "neatly" written on the top of the first page of the assignment.
- Unreadable answers are ungradable answers!
- All homework should be bounded together in some manner.

Recitation Grading Policy:

- Lab is not a separate grade! Lab sessions consist of 5% of your overall MATH 1431 average.
- Your lab grade will be based on LAB ATTENDANCE and group participation.

Tips for Success:

- Arrive to lab several minutes early.
- Come to lab with specific questions.
- Stay on top of the workload.
- Organize your time and work schedule.
- Do not wait until the night before to begin your homework.
- Utilize the on-campus tutoring.
- Meet with professor or TA if you aren't understanding part of the material.
