Date closed: _____

Please read, initial in the boxes, print your name and sign below.

I agree to abide by UH MAPP policy 10.03.01 - Acceptable Use of Information Resources: http://www.uh.edu/af/universityservices/policies/mapp/10/100301.pdf	<input type="checkbox"/>
I agree to abide by UH SAM 07.A.06 - E-mail Retention, sections 3.1 through 3.7 and 4.1: http://www.uh.edu/af/universityservices/policies/sam/7InfoServices/7A6.pdf	<input type="checkbox"/>
I understand that nobody will ever ask me for my password, and that any email message I receive requesting password information is always to be deleted immediately and otherwise ignored completely.	<input type="checkbox"/>
I understand that unless specifically directed otherwise by department IT personnel, I am only to enter my department access credentials into the following types of systems: a department provided desktop computer, the webmail.math.uh.edu system, or an email or secure shell client running on on a properly secured computer.	<input type="checkbox"/>
I understand that I may not let others use my computer account.	<input type="checkbox"/>
I will immediately report to IT any suspected usage of my computer account by others.	<input type="checkbox"/>
I understand that my account will be closed immediately upon my leaving the department, unless a short transition period is arranged with IT.	<input type="checkbox"/>
I will not attempt to physically connect any non-IT-managed equipment to the department network, and will instead use the university-provided wireless network.	<input type="checkbox"/>
I will not move, unplug, or otherwise attempt to modify department computing equipment (including but not limited to keyboards, mice, network cables, monitors and the CPU itself). [See note 1 below]	<input type="checkbox"/>
I understand that violation of any of the above may result in the termination of my computer access.	<input type="checkbox"/>

Copies of MAPP policies are available online at the provided URLs or are available by request.

Note 1: It is perfectly acceptable for users to attach USB and audio devices to the ports on the front of the computers.
