Mathematics Minor Requirements

• 18 semester credit hours in Math, of which at least 9 hours must be advanced (3000 or 4000-level).

• Of the 9 advanced hours, at least 3 hours must be 4000-level.

• At least 6 of the 9 advanced semester credit hours must be taken in residence.

• No Selected Topics or Independent Study are permitted.

• Courses, which by Catalog statement, cannot be applied toward a degree in Natural Sciences and Mathematics, or which have other relevant catalog restrictions will not be included in course or GPA requirements for the minor.

You must have a 2.00 MATH GPA to satisfy requirements of the minor.
